STANDARD
TABLE FEATURES

STANDARD TABLE FEATURES

Special-T tables are manufactured from the highest quality products possible, meeting or exceeding ANSI/BIFMA standards.

HPL tabletops feature 1-1/8" thick 45 lb. density particle board core, high-pressure laminate, durable vinyl, wood or urethane edges, and .038 balanced backer sheet on less than 48" tables (.038 phenolic backer equal or greater than 48"). The finished top thickness is 1-1/4".

High-quality high-pressure Standard WilsonArt laminates are available for tops. Premium laminates are available for an additional charge.

TFL tabletops feature 1" low pressure, 45 lb density core, low-pressure laminate on both sides, and matching color vinyl edge.

A wide selection of table edges and edge colors are available. Edge options include durable vinyl, wood, and urethane edges.

Most tops are pre-drilled for easy installation. In addition, all 60" or longer tables sold without a continuous beam base include a steel table support to prevent tops from sagging.

Table legs feature high-quality tubular steel, stainless steel, cast aluminum, or cast iron. All tubular steel bases are available in 20 powder coat finishes at the standard price. Color matching is available; an upcharge may apply. Some bases are also available in polished chrome and stainless steel finishes. Leveling glides are standard for most tables. Tables legs ship knocked down and are easy to assemble.

The standard table height is 29".

Special-T demonstrates its dedication to the future of our environment in its products. Special-T products have passed stringent MAS Certificated Green™ Indoor Air Quality testing and comply with BIFMA X7.1, LEED, CDPH, and SHPS standards*.

*Wood edges are not MAS Certificated Green™

WARRANTY & RETURN

WARRANTY

January 1st, 2020

To expedite your warranty claims quickly and accurately, go to specialt.net/claims and fill out the Warranty/Freight claim form. All claims must reference the original Purchase Order number and Special-T Sales Order or Invoice number.

Tables. Complete tables and all components included therein are warranted for a period of 10 years from the date of original invoice against poor workmanship and manufacturing defects. We retain the right to replace or repair at our discretion any products or parts thereof which are found defective in materials or workmanship. This warranty becomes invalid for products engineered by client, whereas construction method, material specifications of final product assembly adversely affects materials and or workmanship. In no event, shall liability under this warranty exceed the original purchase price. This warranty becomes invalid if the product or part exhibits abuse, improper or unusual use, including striking tops against other objects. This warranty is invalid if the product is subject to caustic or abrasive cleaning agents or any alterations from its original condition. This warranty does not cover self edge tops and/or tables where table legs/bases are more than 60" apart and do not include steel top support. Our tables and table tops are not for outdoor use. Any damage related to the outdoor use is not covered under this warranty. This warranty does not apply to normal wear and tear or damage caused by accident, neglect, misuse or improper installation or operation. This warranty is expressly made in lieu of any and all other warranties expressed or implied.

Patriot Electric and Liberty Electric Height Adjustable Tables and Bases are warranted to the original purchaser for a period of 10 years from the date of delivery, under normal use for one, 8-hour shift per day against manufacturing defects. We will repair or replace, at our discretion, any products that we determine to be defective as a result of faulty workmanship. In no event shall our liability under this warranty exceed the original purchase price of the product determined to be defective. This warranty does not apply where the product has been abused, mishandled, or subjected to use other than that for which it was designed. For purposes of this warranty, normal wear to the product finish shall not be considered a defect.

Power & Data. All Power and Data components are warranted for a period of 1 year from date of original invoice, against poor workmanship and manufacturing defects. This warranty becomes invalid for products engineered by client, whereas construction method, material specifications of final product assembly adversely affects materials and or workmanship. In no event, shall liability under this warranty exceed the original purchase price. This warranty does not apply to normal wear and tear or damage caused by accident, neglect, misuse or improper installation or operation.

Labor Warranty is subject to written approval. It does not cover labor costs associated with concealed freight damage.
